DetailsApplyAs one of "The World's Most Admired Food Companies" in Fortune magazine, Nestlé provides quality brands that bring flavor to life every day. The Deep Frozen Supply Chain function serves the Nestlé sales team, so that they are able to provide world class service to grocery accounts across the country. Products include industry leading brands such as DIGIORNO pizza, DRUMSTICK ice cream snacks, and H?AGEN-DAZS premium ice cream. POSITION OVERVIEW: The Warehouse Level I position is an entry level training position. The position's primary function is to maximize the selection and loading process of Nestlé products by ensuring accurate orders, meeting set target rates per hour, and ensuring product integrity and quality standards are maintained throughout the loading process. PRIMARY RESPONSIBILITIES: • Safely operate a powered industrial truck (forklift) during work stream processes of order selecting and loading. Complete and maintain internal forklift certification process. • Ability to utilize the Voice Activated Picking system. Accurately and efficiently load finished product onto delivery trucks while also maintaining accurate quality inspection forms. • Prepare all required documentation to maintain the highest quality finished product for our customers • Maintain performance expectations with respect to key performance metrics and identify opportunities to improve distribution center operations • Communicate directly with co-workers on issues, openly share ideas with others, encourage performance in others, give feedback when needed, and train new employees when applicable. Effective communication to operations and sales teams to maintain product flow and prevent distribution disruptions. • Conduct activities in a safe manner, follow corporate safety guidelines and requirements, use personal protective equipment and proactively address any unsafe conditions observed. Maintain housekeeping and safety compliance, inspection ready at all times JOB ESSENTIALS/ ATTRIBUTES: • Ability to effectively document product fills with accuracy. • Maintain a safe operating record for powered industrial equipment. • Ability to practice safe working habits at all times • Initiative: Self-starter, gets involved quickly, takes on difficult tasks with enthusiasm. Takes action to achieve goals beyond what is required. • Energy: Maintains high activity/productivity level. Operates with sense of urgency, efficiency, effectiveness and determination over extended periods of time. • Stress Tolerance: Maintains stable and professional performance under pressure
